Dynamic Purchasing System (DPS) Ref:774

Enforcement Agency Services Dynamic Purchasing System (DPS)

Overview

Following on from the success of our first DPS, YPO have engaged and worked with the industry body The Civil Enforcement Association (CIVEA) to enhance the provision and service to customers, including expanding the scope of the DPS.

The scope now includes the collection of all debt types which a Contracting Authority may have a requirement to collect and other services an Enforcement Agent can typically provide.

Debt Collection Types includes;

- High Court Enforcement
- Council Tax
- Parking and Road Traffic
- Business Rates
- Sundry Debt
- Housing Benefits Overpayments

Services include;

- Repossessions and Evictions
- Tracing Services
- Debt Collection advice, consultancy and training

A Dynamic Purchasing System is a completely electronic system which is open to new suppliers throughout its duration for the admission of any economic operator who satisfies the selection criteria.

Customer benefits

- + Tailored Guidance – YPO read each and every further competition before they are advertised and we provide guidance and feedback to customers based on our experience
- + Dedicated Support – We have appointed an Administrator who is going to be dedicated to the DPS. This role is going to be focused on the DPS and will be the main point of contact for all customers, ensuring they have all the information they need.
- + Market Awareness & Insight – By managing our previous solution YPO have gained a lot of market knowledge and insight which we share with customers to pass on lessons learnt.
- + Approved Toolkit – YPO have developed a tool kit for customers to utilise which includes; user guides, model terms & conditions, further competition templates, question library and evaluation guidance.
